ABOUT

PURPOSE

Our goal is to provide an environment of Christian love and care while offering an early childhood program. Our purpose is to present activities that nurture the whole child on an individual level.

PROGRAM

Units of study are carefully planned using *Wee Learn Curriculum* as our guide. Lesson plans are based on scheduled topics such as friends, family, seasons, holidays, nature, food, transportation, and animals. Children are encouraged in self-directed activities with learning centers that include art, music, books, puzzles, games, nature, home living, blocks, and manipulatives. Group time activities include games, music, stories, and more. Special events and presenters are utilized to enrich specific learning units.

STAFF

Our staff consists of professional teachers with backgrounds in Early Education or experienced caregivers. Continuing education is provided for all staff. Parent/teacher relations, monthly newsletters, calendars, and classroom notes all help contribute to a successful preschool experience.
